SUBMISSION OF WITNESS STATEMENTS BY USADA

Pursuant to the Panel's Order dated February 29, 2008, USADA respectfully submits its witness statements in this matter.

As identified in USADA's witness designations in its Response Brief, witnesses for whom witness statements are being submitted appears below.

1. Dr. Cedric Shackleton, available in person.
2. Dr. J. Thomas Brenna, available in person.
3. Dr. Richard V. Clark, available in person.
4. Dr. Dwight E. Matthews, available in person.
5. Dr. Christiane Ayotte, available in person.
6. Dr. Wilhelm Schänzer, excerpts from testimony in prior proceeding, not available for live testimony.
7. Dr. E. Janine Jumeau, available in person.
8. Cynthia Mongongu, French statement with English translation, available in person
9. Claire Frelat, French statement with English translation, available in person
10. Dr. Corinne Buisson, French statement with English translation, available in person

11. Ester Cerpoini, French statement with English translation, available by phone as described in witness statement.
12. Myriam Garcia, French statement with English translation, available by phone as described in witness statement.
13. Franck Neveu, French statement with English translation, available by phone as described in witness statement.
14. Laurent Martin, French statement with English translation, available by phone as described in witness statement.
15. Marjorie Cariou, French statement with English translation, available by phone as described in witness statement.
16. Agnes Gaillard, French statement with English translation, available by phone as described in witness statement.
17. Gerard Le Petit, French statement with English translation, available in person.
18. Sean Petty, available by phone between 8 a.m. and 5 p.m. mountain time on March 20, 21 and March 24.

Where noted above, certain witnesses have submitted a French version of their testimony, with translations provided according to the Panel's directive. For those witnesses who will be available to testify by phone as originally noted in USADA's witness designations, specific availability is noted in his or her statement where not noted above. As mentioned in USADA's witness designations, Dr. Schänzer's testimony from the prior hearing is being designated for use in this hearing in accordance with the Panel's previous instructions. In an effort to respond to the Panel's request, USADA has elected not to call or submit a witness statement for Patrik Sinkewitz. However, beyond this change USADA remains unable to make further reductions in its witness list for reasons previously explained in correspondence.

USADA incorporates by reference its objections and reservations of rights as set forth in its Witness Designations and Response Brief.

Respectfully submitted this 7th day of March, 2008.
